

CAST External Advisory Board Bio

We are in the process of updating the College of Agriculture, Science, and Technology (CAST) webpage to highlight our esteemed External Advisory Board members. As part of this effort, we are requesting a brief biography and a headshot to be included on the page. This will allow students, faculty, and external partners to learn more about your professional background and the valuable expertise you bring to CAST. Thank you in advance for your participation and continued support.

Name

Gregory MacKenney

Brief Bio

Born in Baltimore, MD, Greg MacKenney is the oldest of two (younger sister) children. Greg is a very proud graduate of Morgan State University (BS Electrical Engineering) and Cornell University (Master of Electrical Engineering). Greg started his 25-year career at Agilent as an intern and was hired full time as a

Manufacturing Development Engineer in Little Falls, DE upon completion of graduate school. Over his career, Greg has held numerous leadership positions of various levels spanning manufacturing, quality, services, R&D, and his most recent position was Vice President and General Manager for the Supplies Division. Greg was also an advisor to the Council of Black Employees (COBE), a sponsor for the Global Agilent Networking Roundtable, and a board member of the Agilent Foundation. Greg is passionate about leadership and developing himself and others to become better leaders. Outside of work, Greg is happily married to LaTarsa and has two children, Gregory Jr. and Paige along with his trusted companion Tigger (miniature poodle). He enjoys traveling, fishing, volunteering, and spending time with his family. He resides in Maryland close to his family and friends.
