

## CAST External Advisory Board Bio

We are in the process of updating the College of Agriculture, Science, and Technology (CAST) webpage to highlight our esteemed External Advisory Board members. As part of this effort, we are requesting a brief biography and a headshot to be included on the page. This will allow students, faculty, and external partners to learn more about your professional background and the valuable expertise you bring to CAST. Thank you in advance for your participation and continued support.
