

CAST External Advisory Board Bio

We are in the process of updating the College of Agriculture, Science, and Technology (CAST) webpage to highlight our esteemed External Advisory Board members. As part of this effort, we are requesting a brief biography and a headshot to be included on the page. This will allow students, faculty, and external partners to learn more about your professional background and the valuable expertise you bring to CAST. Thank you in advance for your participation and continued support.

Name	Tyrone Jones

Brief Bio

****Tyrone Jones**** is the Director of Policy and External Affairs at Bloom Energy, a role he has held since January 2021. With over 30 years of experience, Tyrone leads government, corporate, and public affairs strategies in Delaware and California. He is dedicated to empowering businesses and communities to choose energy options that are better, cleaner, more resilient, and more predictable.

Tyrone is a visionary leader with a clear focus on advancing clean energy technology to drive sustainable solutions. He fosters economic growth and job creation, creates fair and inclusive opportunities, and helps communities and businesses adapt to and mitigate environmental impacts. Additionally, Tyrone is committed to individual personal development, encouraging others to reach their full potential and become leaders in their own right. His extensive background includes policy advocacy, government relations, community and economic development, and public affairs, making him a key figure in the clean energy sector.
