

# CAST External Advisory Board Bio

We are in the process of updating the College of Agriculture, Science, and Technology (CAST) webpage to highlight our esteemed External Advisory Board members. As part of this effort, we are requesting a brief biography and a headshot to be included on the page. This will allow students, faculty, and external partners to learn more about your professional background and the valuable expertise you bring to CAST. Thank you in advance for your participation and continued support.

**Name** William Provine

**Email** bill@innovationspace.org

**Headshot**

**Company** The Innovation Space

**Job Title** President & CEO

**Company URL** [www.innovationspace.org](http://www.innovationspace.org)

**Brief Bio**

Bill is the founder, President, and Chief Executive Officer of the Innovation Space in addition to a member of its Board of Directors. In this role, Bill oversees all operations and is responsible for its overall performance. Prior to joining the Innovation Space, Bill worked for DuPont where he led global operations

for science and engineering encompassing DuPont's open innovation practice that included oversight for DuPont's innovation centers and regional laboratories around the world. He also has served in a variety of research, marketing, business development, joint venture, and manufacturing leadership roles in DuPont over the last 30 years. Bill is very active in cultivating and advancing science across sectors and has served on numerous private company, university, industrial, governmental, and scientific association advisory and management boards and committees. He has served on the board of the American Association for the Advancement of Science (AAAS) supporting scientific research and advocacy; the Resolution Project, supporting social entrepreneurship; and the National Council on Innovation and Entrepreneurship with US Department of Commerce, supporting creation of a national entrepreneurship strategy.
