Cooperative Extension
Wilmington Campus
Delaware State University

Mission Area: Family and Consumer Sciences

Education:

Delaware State University
MS, Food Science
BS, Food and Nutritional Sciences

Extension Interest Area(s):

Youth
Healthy Eating
Physical Activity

Brief Description of Extension Work:

Conducts nutrition, physical activity, and food safety education to Delaware Title I schools where 50 percent of students receive, or are eligible to receive, free or reduced lunch. Encourages healthy behaviors to combat common health-related diseases in underserved youths as they grow into adults.

Ideas for Future Collaborations:

FCS Programs
Small Farms Programs
Farmers Markets

Keywords:

SNAP-Ed, Education, Nutrition, Physical Activity
