

# **1890 Scholarships Program**

*At Delaware State University*

## **PURPOSE**

The purpose of the 1890 Scholarships Program is to provide scholarships to support recruiting, engaging, retaining, mentoring and training of undergraduate students at Delaware State University, resulting in baccalaureate or graduate degrees in the food and agricultural sciences, and related fields. The scholarships are intended to encourage outstanding students at 1890 institutions to pursue and complete baccalaureate degrees in the food and agricultural sciences and related fields that would lead to a highly skilled food and agricultural systems workforce.

## **OBJECTIVE**

The 1890 Scholarships Program supports students at Delaware State University through scholarships as a catalyst to:

1. Increase the number of students who attain baccalaureate degrees in the food and agricultural sciences and related fields; and
2. Support scholars who are intent on pursuing careers in the food and agricultural sciences and related fields to meet the technologically advanced needs of the 21<sup>st</sup> century food and agricultural systems workforce.

### ***Examples of fields of study supported by this scholarship:***

#### *Agriculture*

- a. Agri-Business
- b. Agriculture Education
